

# CERTIFICATE OF COMPLETION

This certificate is proudly presented to:

 *Dadi Einarsson* 

This training included hands-on instruction in installing, configuring, and securing the Apache HTTP Server, showcasing expertise in web server management. These skills enhance the overall quality of CODIX and iMX solutions, strengthening our commitment to customers and reinforcing our position as the leading software financial provider.

*I Vasilev*

**Ivelin Vasilev**

Operational Manager DevOps
